### General data

|                     |                                                   |
|---------------------|---------------------------------------------------|
| Location            | Czech Republic                                    |
| region              | Jihomoravský kraj                                 |
| Year of manufacture | 2014                                              |
| Warranty            | Without warranty                                  |
| Technical condition | Good                                              |
| Loading             | The buyer organizes the loading at his own cost   |
| Payment             | Before receipt                                    |
| Transport           | The buyer organizes the transport at his own cost |

### Technical parameters

|                                          |            |
|------------------------------------------|------------|
| Maximum turning length (Z-axis)          | 410 mm     |
| Turning diameter over bed (max)          | 350 mm     |
| Maximum rotary speed of the main spindle | 4000 1/min |

### Dimensions

|                     |         |
|---------------------|---------|
| Length of the lathe | 2413 mm |
| Width of the lathe  | 1651 mm |
| Height of the lathe | 1880 mm |
| Weight of the lathe | 4.1 t   |
