### General data

|                     |                                                   |
|---------------------|---------------------------------------------------|
| Location            | Poland                                            |
| region              | Dolnośląskie                                      |
| Year of manufacture | 2001                                              |
| Warranty            | Without warranty                                  |
| Technical condition | Very good                                         |
| Payment             | Before receipt                                    |
| Transport           | The buyer organizes the transport at his own cost |

### Technical parameters

|                                  |        |
|----------------------------------|--------|
| Maximum force (pressing)         | 100 t  |
| Maximum stroke of the piston rod | 70 mm  |
| Length of the table              | 700 mm |
| Width of the table               | 320 mm |
| Oil tank capacity                | 630 l  |

### Dimensions

|                |         |
|----------------|---------|
| Machine height | 2080 mm |
| Machine length | 3095 mm |
| Machine width  | 2640 mm |
| Machine weight | 5.2 t   |
